Albuñuelas, Costa Tropical, Spain

ID#: 209511

Description:

Beautiful piece of land of 27,000 m² in the Lecrin Valley in the municipality of Albuñuelas. The land is planted with almonds and is not currently irrigated, but the owner is drilling for water and will reclassify the land when the well is finished. The land has reasonable access up to a point, but the track nearest the property is in need of repair which is estimated at 6,000 euros. There is permission to connect mains electricity and the...
