Padul, Costa Tropical, Spain

ID#: 209516

Description:

110.000 m2 of flat land with its own transformer for mains electricity and water from its own well which should be supplemented to give enough water for an urbanisation and excellent access from the motorway. There is an old warehouse of 600 m² which could be transformed into a restaurant with terraces and several shops. The land is boarded on the top side by a pine forest, almond cultivation on the right and a cluster of rural cortijos o...
