

Finca te koop

Almayate, Costa Tropical, Spanje

ID#: 146651

Beschrijving:

This unique country property, which is only 4 km from the beach, sits in the heart of a traditional Spanish village that oozes character. Parts of the building date back over 200 years and although the house has been totally reformed, wherever possible, most of the original features have been retained and incorporated into the design . The property flows naturally from the entrance through the traditional kitchen, comfortable living room, sepa...
