Beschrijving:

The older girl giving paddle tennis lessons on the courts. She doesn't tell me, but I know she likes the teacher. We moms notice those things. ...19 years old, that's the age. The little one with his gang from the city, I don't know if in one pool or another or if they have gone with the adventure bikes. My husband preparing food while watching the races with a neighbor. And me, having a vermouth, in the restaurant in the urban...
