Beschrijving:

Atalaya de Rio Verde. Plot with Project and License. Walking distance to Puerto Banus. A great opportunity to buy a residential plot in the privileged location of Atalaya de Rio Verde, just next to the world famous port of Banus. A large home built over 746m2 including terraces and pool. The villa has been designed with a superb roof terrace of 88m2 for long lazy evenings of enjoyment under the Mediterranean skies. The roof terrace is acces...
