Cortijos Romero. This is an area that offers the perfect life for young and old, for tourists and residents. These inland properties are perfectly integrated in the surrounding, inland, ranging from craggy peaks over 2.000 m high & just 15 / 20 min to the nearest beach. A place to enjoy peace and tranquility away from the hustle and bustle of the seaside resort but within easy reach of all facilities. This is the real Spain and probabl...
